

HFP Racing wants to assure you that your health, safety and well-being is our highest priority. As we approach our 2020 season our organization is in regular contact with state and local officials and USA Triathlon concerning coronavirus (COVID-19) and best practices for mass participation events. We are following the guidance issued by both the Centers for Disease Control and Prevention, and at this time, our races will continue as planned.

We are aware that the situation continues to evolve, and we will communicate updates to our athletes as soon as possible [via HFP's email newsletter/website/social media].

At our 2020 events we are taking the following precautions:

- Extra hand sanitizer at entrance/exit of transition, post-race food and packet pickup areas
- Enhanced cleaning protocols for post-race food and packet pickup areas
- Asking staff, athletes, volunteers who are feeling ill to stay home
- Discourage non family member spectating

In addition, please be aware of the below resources from the CDC and the U.S. Department of State to help reduce your personal risk:

- [CDC – Coronavirus Overview](#)
- [CDC – Travelers Health](#)
- [U.S. Department of State](#)
- [Prevention and treatment](#)

Additional resources can be found with the [WHO Coronavirus Website](#), [CDC Coronavirus Website](#). The IOC has also developed specific [advice for athletes](#), including a [statement from the IOC Medical and Scientific Director, Dr. Richard Budgett](#).

We encourage you to follow the [travel](#), [prevention](#), [testing](#), and [treatment](#) recommendations outlined by the CDC.

Thank you for your patience and understanding as we navigate this ever-changing situation.

Sincerely,

Shannon Kurek, Race Director
HFP Racing
