

2021 American Triple-T and Toughman Ohio Postponed to 2022

April 29, 2021

Granville, Ohio – HFP Racing and presenting partner Infnit Nutrition announces today due to continued COVID 19 challenges in Ohio the 2021 American Triple-T and Toughman Ohio events will be postponed to 2022. Race officials have exhausted all avenues in attempting to have in-person racing at the 2021 American Triple-T and Toughman Ohio weekend, but the COVID 19 obstacles were too much to overcome.

“The reality is the Pandemic has made it impossible for this unique multi-day race to be produced with the high standards our participants expect while simultaneously complying with the current local and state mandates for COVID 19. Removing many of the unique elements of this race to satisfy the COVID 19 mandates takes away the participant experience that this race weekend has come to represent.” **Shannon Kurek – Race Director, American Triple-T and Toughman Ohio.**

All 2021 American Triple-T and Toughman Ohio participants may transfer to the 2022 or the 2023 race by contacting customerservice@hfpracing.com. The 2022 race date is May 20-22 and returns to Salt Fork State Park. Cabin and room reservations can be made by calling the Salt Fork Lodge and Conference Center starting May 10th by calling 833-307-1137. Mention the “American Triple-T” when reserving your room or cabin.

“Infnit Nutrition is proud to support this awesome event during this challenging Pandemic and look forward to being at the start line when the American Triple-T and Toughman Ohio are in-person again in 2022.”
Michael Folan – Founder, Infnit Nutrition

All currently registered American Triple-T and Toughman Ohio participants will receive a \$50 credit to be used on training and race day nutrition and hydration supplements at INFINITnutrition.us.

About HFP Racing:
