

## ANNOUNCEMENT

May 13, 2021

Greenswell Events, a Central Ohio-based multisport event management company, announces the acquisition of HFP Racing, an Ohio-based multisport racing company.

“After 32 years, Jennifer and I are handing the HFP Racing torch off to Craig Thompson of Greenswell Events. We are excited for the future of HFP Racing and Craig’s commitment to Ohio multisport racing.” *Shannon Kurek, Co-Owner and Race Director of HFP Racing*

“We are honored to carry on the HFP legacy and continue the path that Jennifer and Shannon have blazed for multisport racing in Ohio.” *Craig Thompson, Owner of Greenswell Events.* “We are also excited for the return of HFP Racing’s multisport races to Ohio State parks. This year will be a transition year. We are coming off a year of no racing due to the pandemic, complying with new standards for safe return to racing set by permitting agencies, and executing the seamless integration of HFP Racing and Greenswell Events. It will be an exciting year of multisport racing in the State of Ohio.”

All Greenswell multisport races will now fall under the HFP Racing brand. Greenswell Events will continue to focus on producing world-class running, walking, and trail racing events.

***All HFP Racing and Greenswell athletes who have registered for 2021 races will be contacted the week of May 17 with their 2021 race options.***

The 2021 HFP Racing schedule will open registration this *Thursday, May 13*, and will include the following events:
