

“Skip The Tee, Plant A Tree”

We can live without a t-shirt, but we can't live without trees. This year, when you register for our multisport races and certain trail runs at Ohio State Parks, you will have the option to select “Tree” over a “T-shirt size.”

When you select “Tree,” instead of a t-shirt, we will donate the cost of your t-shirt to the Ohio State Park Foundation.

Why is this effort important to you as an athlete and us as an event organizer? HFP Racing and Greenswell Events utilize many of the Ohio State Parks throughout the year to put on events. Supporting the parks in this effort is not only a way for all of us to see the short-term progress but also for everyone to enjoy the parks in the years to come.

Established in 2021, the Ohio State Parks Foundation is a non-profit, charitable organization that supports Ohio's State Parks by enhancing projects, activities, and programs in the parks. The Foundation will:

- ♦ Partner with ODNR to improve, build, and preserve Ohio State Parks.
- ♦ Advocate for Ohio State Parks and programs.
- ♦ Recruit and engage stakeholders and supporters.
- ♦ Lead fundraising efforts to advance Ohio State Parks' mission, programs, and infrastructure.

The Ohio State Parks Foundation is committed to supporting Ohio State Parks by enhancing our treasured outdoor spaces for safe, high-quality recreational experiences for all visitors through continued investment. For more information about the Foundation, visit odnr.gov.

If you have already registered for an event this year and would like to donate the cost of your t-shirt to the Ohio State Parks Foundation, please contact customerservice@hfpracing.com.
